DAF LF45

MEDIUM THROUGHPUT MOBILE SHREDDING TRUCK

- The AXO 408 Mobile Shredding Truck - 12,000kg is offered as a turn-key package mounted on a DAF LF45 Cab Chassis.
- The DAF LF45 is an excellent around-city vehicle and is easily manoeuvrable around tight streets or dock ways because of its compact size but it also has the ability to power and carry the AXO equipment and achieve a payload to GVW which is the best in the industry
